Accept the offer**4****Receive your invitation for study**

The university issues an official electronic invitation, valid for 6 months.

5**Apply for a student visa** **IF REQUIRED**

Required only if you plan to travel to Ukraine for on-campus studies.

Start your studies

Begin your degree at university — online or on campus.

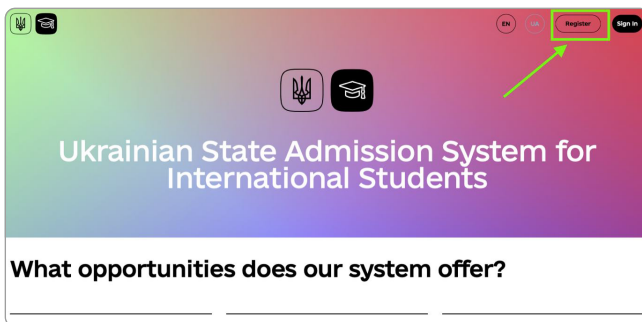

1 Create Your Personal Account

Go to the official portal for international applicants and create your personal account. You'll use this account for all the next steps.

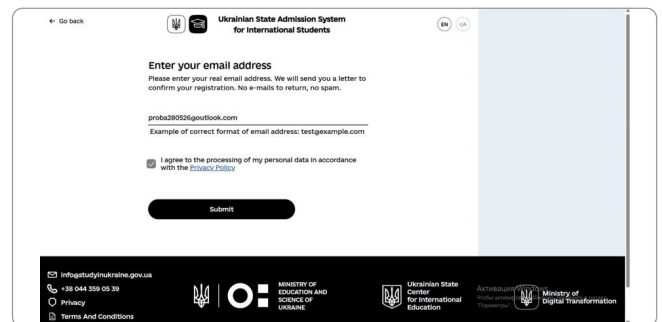

Open the portal:
apply.studyinukraine.gov.ua

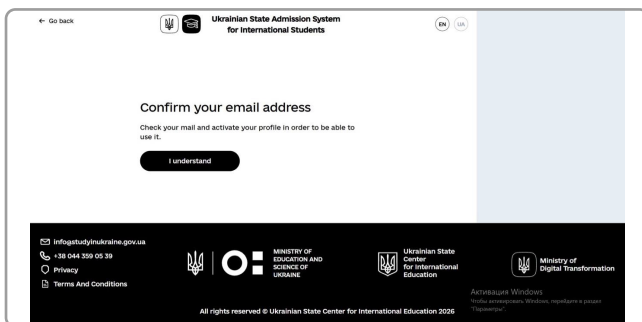

WHAT YOU DO

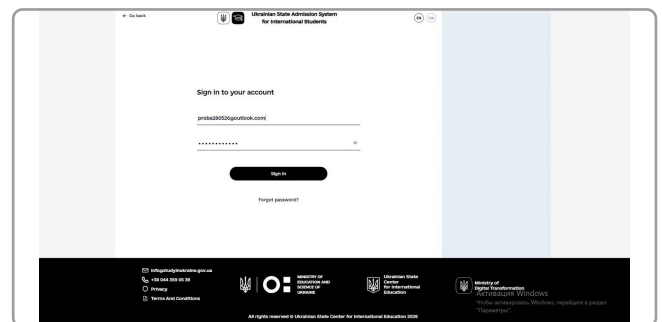

1 Click "Register" on the portal home page.

2 Enter your email address.

3 Confirm your email through the verification link we send you.

4 Sign in to your account.

Documents you will need

Have these documents ready as PDF or JPG files before you begin the application. You will upload them in Step 2.

WHAT YOU DO

- ✓ Passport
- ✓ Photo
- ✓ School certificate or diploma
- ✓ Academic transcript
- ✓ Academic certificate

Accepted file formats: PDF or JPG.

TRANSLATE BEFORE YOU SCAN

- All documents must be legalised (apostille or consular legalisation, depending on your country).
- Translations into Ukrainian or English are required for documents in other languages.
- If you are unsure what your country requires, write to us at inter@karazin.ua before you upload anything.

1 Submit your documents and application

After logging in, complete your profile, choose the type of application, and upload the documents from Step 1. Payment finalises and sends your application to the university automatically.

WHAT YOU DO

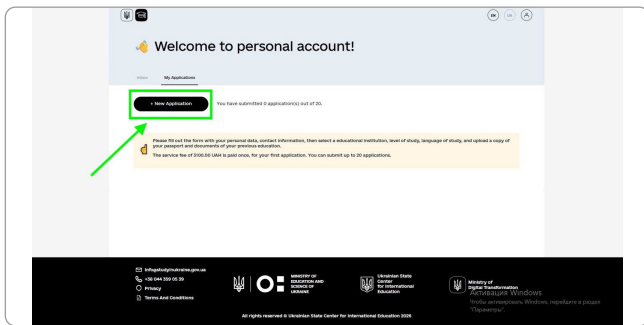

- 1 Click "**+ New Application**" and complete your profile.
- 2 Choose the application type — "**Application for study**" for a degree programme, or "**Application for language training**" for preparatory courses.
- 3 Select **V. N. Karazin Kharkiv National University** and your specialty / programme.
- 4 Upload your documents and review the information you entered.
- 5 Pay the application fee. After payment the application is sent to the university automatically.

IMPORTANT

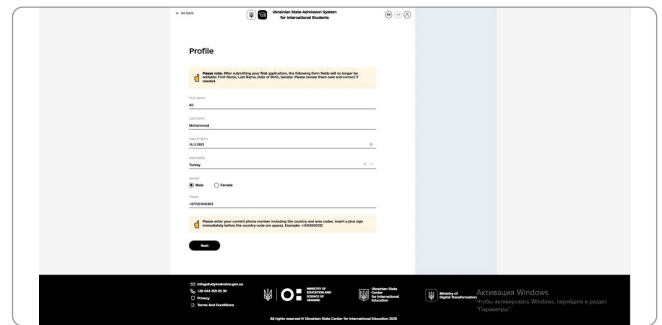

- Once you pay the fee, your application is forwarded to the university automatically — no further action is needed at this step.
- You can submit up to 20 applications to different universities or programmes with that single payment — 3100 UAH.

Portal screens for Step 2

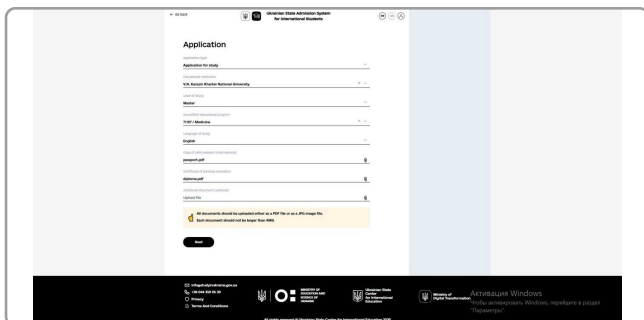

These are the screens you'll move through after you sign in. Follow them in the order shown.

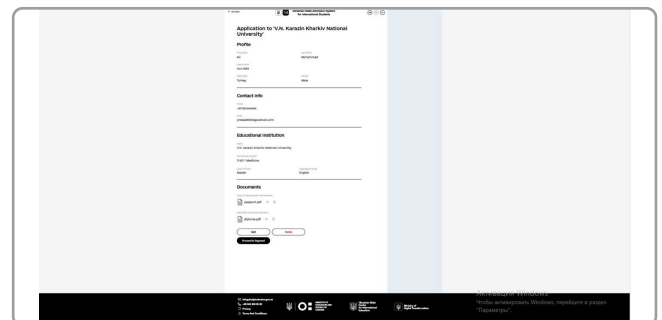

1 Complete your personal profile.

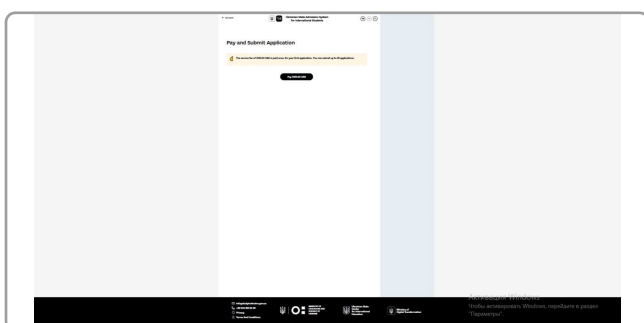

2 Click "+ New Application"

3 Choose application type and university.

4 Upload documents and verify your data.

5 Pay the application fee — your application is then sent automatically.

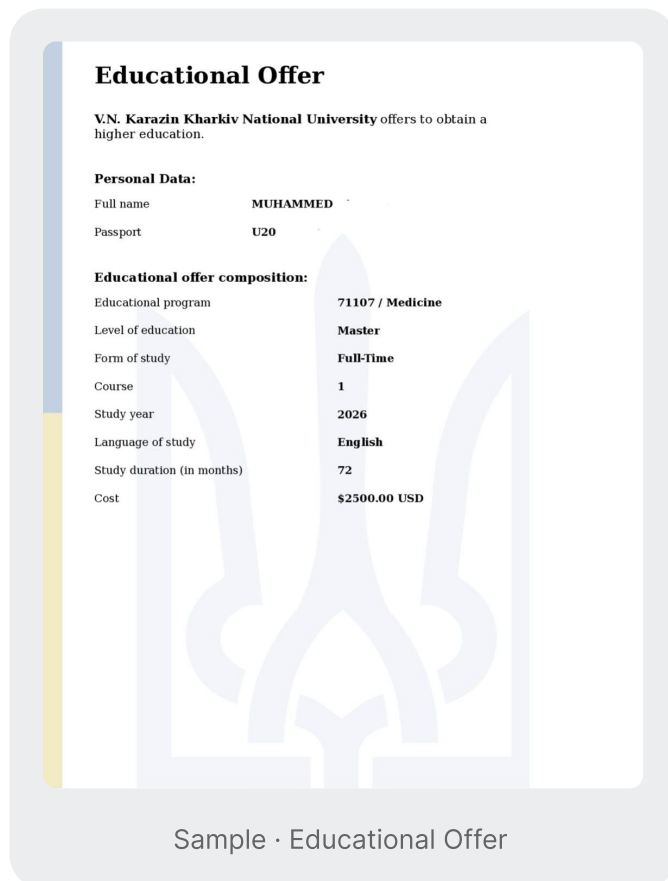

You're done with Step 2

The university now reviews your documents. The next step is theirs.

3
